Although the son disobeys Sally's orders, they still care about each other and are willing to risk their lives to save each other. However, after Sally, Bunnie, and Dulcy, the Doly Free Sonic, he is able to reach his uncle and help Chuck fight for Robotnik's influence, allowing him to regain his free will, but keep his Robian state to serve as spy for freedom Fighters, reuniting Intel to help them fight Robotnik while making it appear that he was still loyal to Robotnik in the process. A red band runs from her hair and descends back to the tip of her tail. However, in the continuity of the p's-super-super-super-super-super-super wave, Sonic and Sally are no longer (and never were) in a romantic relationship due to a mandate put in place by Sega, although they still maintain a strong friendship with each other and considered close friends. Meanwhile, Sally is summoned back to learn that Nicole's handheld has been destroyed by the phage in Sky Patrol systems. Because of the judicial p with Ken Penders and the conflicts with Archie Comics Sega had reworked the universe in sonic comics because of these changes and all cartoon characters had to match the design of the video game characters. After having the Nicole 3 on the mainframe in new mobotropolis below and leave her with Nicole's handheld and a manual, Sally chokes back tears, thinking one last time of a kiss she shared with Sonic, as she says goodbye and and ,lortnoC soahC gnisu evaW siseneG eht trever dna namggE taefed ot elba si cinoS repuS ,II .kM ggE htaeD eht gnirewop won sdlaremE soahC eht morf ygrene soahC eht gnisU .sdneirf rieht htiw sphsnoitaler evol regmol on nac dna sdneirf eb ylno nac sretcarahc eht ,siht fo esuaceb seilla rehto s'cinoS htiw gnola ,cinoS dna yllaS htiw pihnsnoitaler evol eht dedne taht segnahc emos ekam ot dah ageS scimoc cinoS eht htiw gnineppah erew taht smelborp lagel eht fo esuaceb oslA .namggE ot ylno layol flesreh fo noisrev dezicitoBoR a ,enilemit taht ni yllaS ahceM saw ehs nehW dna enilemit evaW
